DAWN TALLMAN – CELEBRATE MYSELF B/W I AM NOT AFRAID (REMIXES)

CAT# HCM1031 | RELEASE DATE: 2 JULY 2017

Dawn Tallman – Celebrate Myself (Lyrics)

Lullabies should never have sad endings.
And broken hearts should start from new beginnings.

These scars on me are badges of my journey.
And everyone should see that love and life is free.

I applaud me.

I celebrate myself.

In the summertime nights are warm and the sun does shine.
My dark days won't reflect what's on my mind.

These scars on me are badges of my journey.
And everyone should see that love and life is free.

I applaud me.

I celebrate my life.

I applaud me.

I celebrate myself.

Dawn Tallman – I Am Not Afraid (Lyrics)

I am not afraid to live my dreams and destinies.
I am not afraid to be happy and loving me.
I am not afraid to live my dreams and destinies.
I am not afraid to be happy and loving me.

I know I'm not the only one who's been through hard things
in life.

There's so many people who never see a good day or night.

Allow me to encourage you.

When I changed my view, things were not the same for me.
There's nothing I can't do.

I am not afraid to live my dreams and destinies.
I am not afraid to be happy and loving me.
I am not afraid to live my dreams and destinies.
I am not afraid to be happy and loving me.

Some people never change.

There never open up their minds.

They have so many qualities, treasures they will never find.

I believe that what's impossible, and the things I can't
see are closer than we think they are if we only believe.

I am not afraid to live my dreams and destinies.
I am not afraid to be happy and loving me.
I am not afraid to live my dreams and destinies.
I am not afraid to be happy and loving me.

Why not choose to find your way,

Use this time to create.

Better days are on the way.

Take a stand for yourself and don't be afraid.

Stand for yourself.

Stand for what you love.

Stand for what you believe.

Stand! Stand!!

If nobody stands with you, stand all by yourself.

Stand, don't turn around.

Stand, keep walking ahead.

Stand for your family and all of your friends.

You gotta hold on, be strong.

Stand for yourself! Stand! Stand!!

I am not afraid! I am not afraid!

I am not afraid! I am not afraid!

Stand for yourself! Stand for what you love!

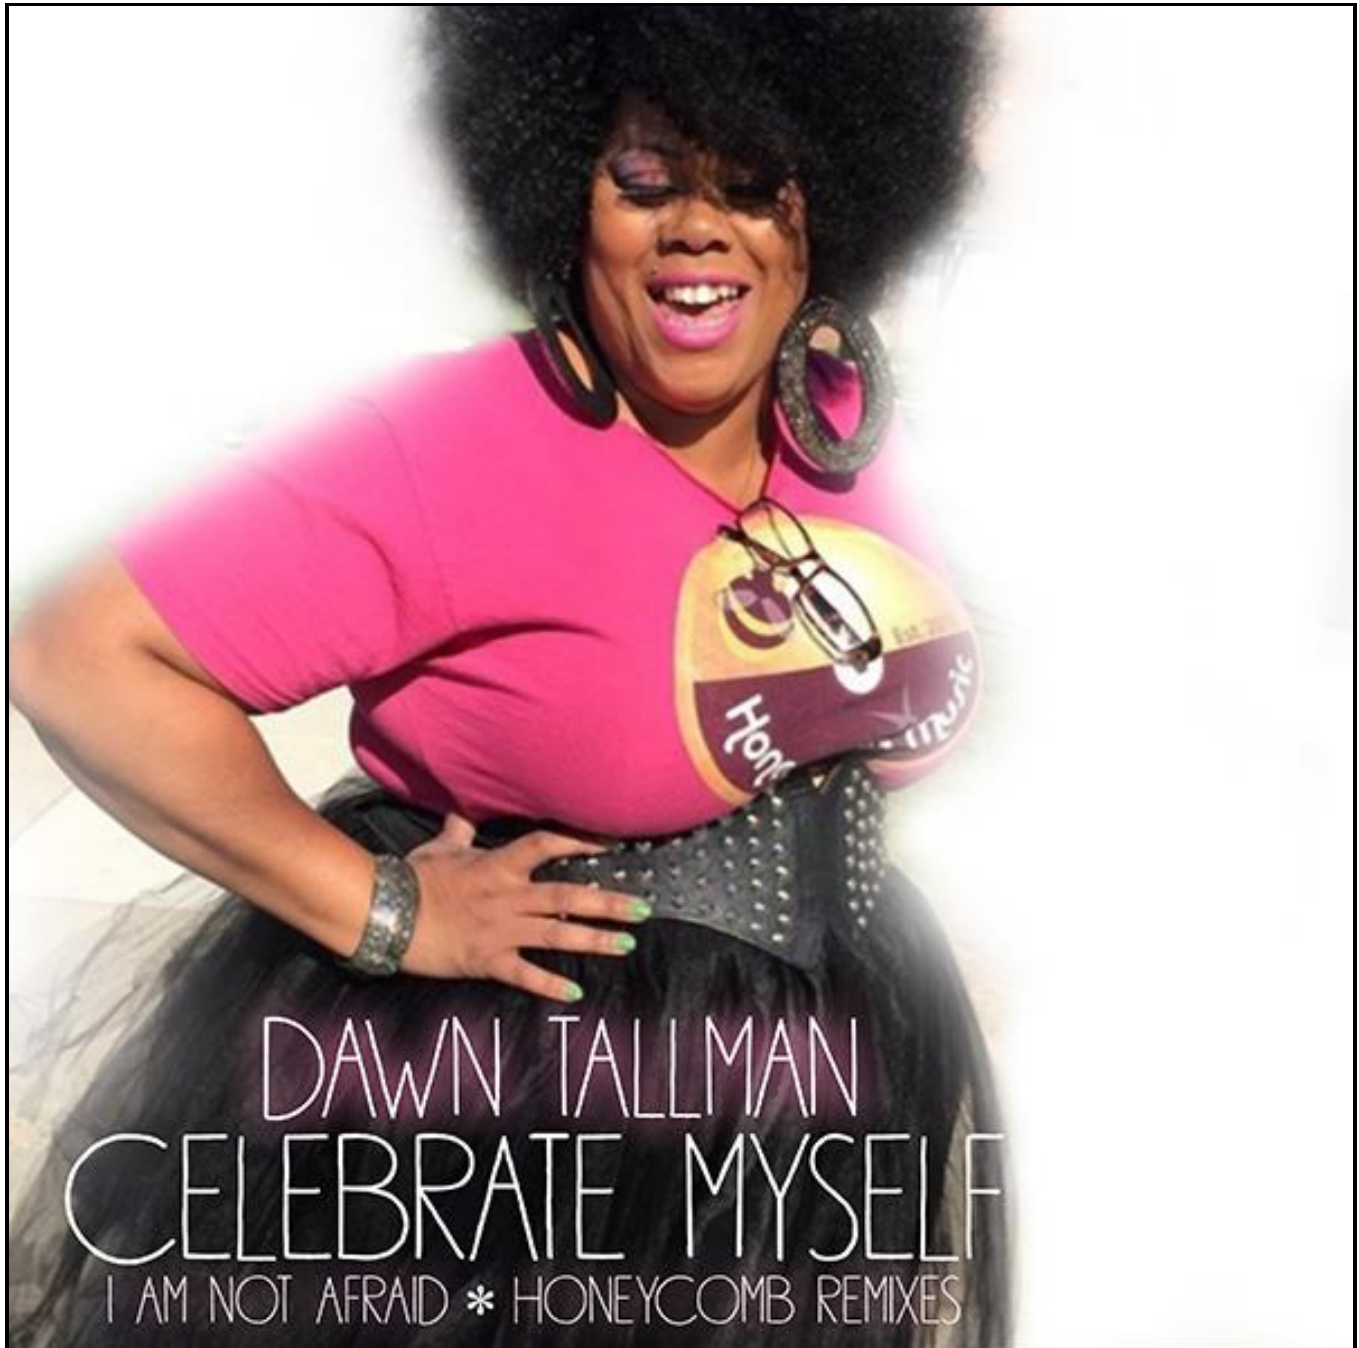

Stand for what you believe! Stand! Stand!!
