DESCRIPTION: ENDURING DANCEFLOOR STOMPERS WITH MESSAGES OF LOVE AND LIFE MIXED IN!

Honeycomb Music is extremely proud to present Kia Stewart's stellar debut, titled the *Elation EP*. With full support from Grammy Award Winner Louie Vega, DJ Joe Claussell and many notable others, Kia's sound and style has been heating up dancefloors around the world with “He Still Loves Me” and “Winner” - both of them smash singles! For her debut EP, Kia exquisitely explores topics of love, life and optimism. What's the biggest message? It's simple. Kia says that “it's ok to LOVE and to be in LOVE! In life, you will sacrifice and work hard for those you love... never give up!” We couldn't agree more. And why Honeycomb? That too is simple. “Josh makes me see music from another angle... Honeycomb has my heart,” she exclaims. You have our hearts too Kia! For more of this good music, get stuck on Honeycomb @ honeycombmusicstore.com

KIA STEWART – ELATION EP

KIA STEWART – HE STILL LOVES ME (LYRICS)

This crazy thing, we call love
Had me so, so messed up
He came around I didn't see
That he really, really cared for me
Listening to, friends and foes
He's not the one just wants to take you home.
He stood by me, and proved them wrong
Showing me, that he's the one

(Holding me, loving me keeping me safe as he's teaching me how to be a better me)

He still (he still)
Loves me, He still (he still)
Cares for me
He still loves me
He still, (he still) he still (he still)

Time moved on, I gave in
Now he's my lover, he's my best friend
I can't believe our happiness
Everything's good, we fought for this
Storms do come, we survived
Time proved to me, we'll be alright
Now I look back, I'm thankful for
His patience and love
He gives me more
Yeah yeah

Holding me, loving me keeping me safe as he's teaching me how to be a better me)

He still (he still)
Loves me, He still (he still)
Cares for me
He still loves me
He still, (he still) he still (he still)

KIA STEWART – GONNA WORK IT OUT (LYRICS)

I work hard everyday
And keep my head up high
Keep my family right
Lord knows that I pray
For their health and strength
To make ends meet
Living check to check
A raise aint happened yet
These bills keep coming in
Dont know what ima do but
Ima tell you
Before we go to pieces
I will work it out
(Gonna work it out)
Before we go to pieces
I will make sure we rise to the top
Yeah yeah yeah

(Work my fingers to the bone to give them everything that they would need)
Everything everything they need

(Work my fingers to the bone to give them everything that they would need)
Givem everything they need

Time keeps getting hard
Some cant keep a job
Im so thankful for what I have
And the strength to make it work
Even when its bad, im living
Check to check
Living check to check
A raise aint happened yet
These bills keep coming in
Dont know what ima do but
Ima tell you
Before we go to pieces
I will work it out
(Gonna work it out)
Before we go to pieces
I will make sure we rise to the top
Yeah yeah yeah

Stay prayed up to make it through the day
(Through the day gotta pray through the day gotta pray)

Were gonna win. We gonna make it

KIA STEWART – THIS IS HOW WE LOVE (LYRICS)

Well I must say I'm blessed to find
Someone who gives me peace of mind
He is my calm, through every storm
When nights are cold, he keeps me warm
He makes me feel so beautiful
Even days when I don't think so
The little things that you do
That's what keeps me loving you

(I love it you love it)
Love, this is how we love, this is how we love it
(I love it you love it, we love it our way)
love, I love it
(I love it you love it)
Love, this is how we love, this is how we love, we love it
(I love it you love it we love it our way, we love it our way)

We stand as one, a family
Living our lives, and legacy
I'm by your side, for all my life
Together we will make it right
I cook and clean, and rub your back
Support your dreams, your never have to ask
It's not my job, it's my joy
To keep giving more and more

(I love it you love it)
Love, this is how we love, this is how we love it
(I love it you love it, we love it our way)
love, I love it
(I love it you love it)
Love, this is how we love, this is how we love, we love it
(I love it you love it we love it our way, we love it our way)

We fight for love and everything is alright
Keeping everything we do real tight
Always there, always there by my side
This is why I love you, this is why I love you
We fight for love and everything is alright
Keeping everything we do real tight
No one can make me feel the way that you do
I love, I love you, I love I love you
I love, I love you, I love I love you

(satisfy your heart, satisfy your soul give you what you need)

KIA STEWART – ELATION EP

KIA STEWART – SAY YES (LYRICS)

I've been calling you thinking that
We need to
Get together, make some plans
Catch up on the past, YES
(YES)
You said, not today
Think about it, it's a busy day
But all ya days have been the same
Can't find the strength to walk away.
He's got me

And when he calls I say Yes
I say Yes, I say YES
(I say yes)
I SAY YES, I say yes
(I say yes)
I say yes to my baby, ya know ya know i want you baby
Give into me, give into me
Give into me, give into me yeah.

My body, is hooked on you
But my mind
Tells me to
Let ya go, walk away
It hurts so good, I wanna stay
(YES)
How do, I explain
Don't need him
I want him
When he calls, I'm right there
Cause he's got me yeah!

And when he calls I say Yes
I say Yes, I say YES
(I say yes)
I SAY YES, I say yes
(I say yes)

KIA STEWART – WINNER (LYRICS)

Don't you dare complain
'Bout people's reactions
To the things you do for you
Dint give them satisfaction
Just be who you are
Embrace your beautiful self
Cause you're the only one
That can take those steps.

Don't look back cause you are a winner
Winner that's what you are
Stay on ya path cause you are a winner
Shining just like a star

People can be so cruel
They wanna control you
But don't you let them do it
Your peace will hold you
Focus on what's real
What matters to you.
Broken hearts will heal
And your enemies will too

Don't look back 'cause you are a winner
Winner that's what you are
Stay on ya path cause you are a winner
Shining just like a star

Don't let them change your heart or steal your smile
Always remember
You're the one who must decide, what works for you
You are a winner
